ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

17 AUGUST 13, 2013

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

Dear Supervisors:

**APPROVAL OF CONTRACT FOR WORKERS' COMPENSATION
CLAIMS THIRD-PARTY ADMINISTRATION – UNIT 4
(ALL DISTRICTS – 3 VOTES)**

SUBJECT

This recommendation by the Chief Executive Officer (CEO) seeks the Board's approval to enter into a contract with Sedgwick Claims Management Services Inc. (Sedgwick) to provide Workers' Compensation Claims Third-Party Administration services for the County of Los Angeles (County Workers' Compensation Program (Attachment I)).

IT IS RECOMMENDED THAT THE BOARD:

Find pursuant to County Code Section 2.121.420 that claims management services described herein are more economically performed by an independent contractor.

Approve and instruct the Chairman to sign the attached contract with Sedgwick for a five-year term, effective January 1, 2014, with a provision to extend up to six (6) months in any increment, at a total base contract cost not to exceed \$36,012,860.

Authorize the Chief Executive Officer or his designee to approve and execute all renewal options and change notices pursuant to the provisions of the contract.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The County's Workers' Compensation Program is organized into four units (Units 1 – 4). Each Unit is comprised of designated departments and their respective claims. The

current contracts for Units 1, 2, and 4 will expire on December 31, 2013. Unit 3 is still currently under contract. The purpose of the recommendations is to execute an agreement with Sedgwick for Unit 4. Unit 4 consists of the departments of Probation, Public Works, and Public Social Services. The CEO will seek Board approval of contracts for Units 1 and 2 at a later date.

Implementation of Strategic Plan Goals

The recommended action requested herein is consistent with the County's Strategic Plan Goal 1, Operational Effectiveness; and Goal 2, Fiscal Responsibility, and allows for the continuation of high-level service to the County.

FISCAL IMPACT/FINANCING

Under the new contract, Sedgwick will be paid flat annual fees for the entire base term of the contract. The costs for this contract will be paid from the County's Workers' Compensation Employee Benefits Operating Budget. Funding for these contracts are included in the Fiscal Year 2013-2014 Budget.

The annual base-term contract costs are as follows:

Year 1	\$6,975,419
Year 2	\$7,045,173
Year 3	\$7,186,076
Year 4	\$7,329,798
Year 5	\$7,476,394

TOTAL	\$36,012,860
-------	--------------

The contract includes the option to increase or decrease the fees at set rates to account for any changes in workload due to unanticipated service needs/reductions at the discretion of the CEO or designee.

The total paid to AIMS Claims Management (AIMS) for Fiscal Year 2011-2012 was \$6,178,448. It is anticipated that under the current pricing agreements with AIMS, expenditure for calendar year 2013 will be \$6,386,752.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The contract contains all required Board, CEO, and County Counsel provisions.

It has been recommended that the provision of services by Contractor under the recommended Contract is subject to Proposition A guidelines as set forth in the Los Angeles County Code Section 1.121. This includes adherence to the Living Wage Program under Los Angeles County Code Section 2.201, and Contractor agrees to comply with those requirements.

The contract has been approved as to form by County Counsel.

CONTRACTING PROCESS

In April 2012, the CEO sent a Notice of Intent to Release a Request for Proposals (RFP) for Workers' Compensation Claims Third-Party Administration Services for Units 1, 2, and 4, to a list of 55 vendors obtained from the Internal Services Department website, previous solicitations, and the State of California Department of Industrial Relations third party administrator website. From that list, 10 vendors responded with interest in receiving the RFP when released.

In May 2012, the CEO released the RFP; however, this process was cancelled. Subsequent to the release of this first RFP, and submission of proposals in response to the RFP, SB863 was enacted to reform the workers' compensation system. The new legislation could impact third party administration procedures and requirements, therefore, and the original RFP and proposal submission did not take this into account as did the second RFP release.

On September 24, 2012, the CEO released a revised RFP for Workers' Compensation Claims Third-Party Administration Services. The RFP was posted on the County's website and advertisements were placed in the Los Angeles Times, Los Angeles Sentinel, La Opinion, San Gabriel Valley Tribune, Press Telegram, and the Daily News Los Angeles. In addition, the RFP was sent to 12 vendors who expressed interest in the new solicitation.

On October 18, 2012, seven vendors attended the Mandatory Proposers Conference.

On October 23, 2012, the Board approved to extend the existing contracts for Units 1, 2, and 4 for six months through June 30, 2013, in order to complete the solicitation and ensure continuous workers' compensation claims third party administration services.

Proposals were originally due on November 2, 2012. However, in an effort to attract additional proposers, and at the direction of the CEO, the date to submit proposals was extended by a month, to December 7, 2012, and said extension resulted in attracting an additional proposer.

Six firms submitted proposals: ACME Administrators, Inc.; AIMS Claims Management; Intercare Insurance Services; Sedgwick CMS; TRISTAR Risk Management; and York Risk Services Group, Inc. CEO staff determined that all six proposers met the minimum requirements. The proposals were then thoroughly evaluated by representatives from CEO, Sheriff's Department, Department of Children and Family Services, Department of Public Social Services, and the Los Angeles County Office of Education.

Scores for each Unit were tabulated separately. Sedgwick received the second highest score, and the CEO recommends awarding Unit 4 to Sedgwick. Such award to Sedgwick will contribute to operational effectiveness and more efficient transition of numerous workers' compensation files to new contractors.

Three proposers were debriefed, two protests were filed, and one currently remains.

Due to extension of the proposal submission and evaluation processes, this solicitation was not going to be completed before June 30, 2013; therefore, on April 16, 2013, the Board approved to extend the existing contracts for another six months, effective July 1, 2013 through December 31, 2013.

The Proposition A cost analysis for Unit 4 (Attachment II) shows an estimated first year cost savings

of \$1,025,594.50. The Auditor-Controller reviewed the cost comparison and concurs that this contract is cost-effective.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of this contract will allow the CEO to continue to provide workers' compensation claims third-party administration services to County departments and ensure delivery of statutorily mandated benefits.

Implementation of this Contract will have no impact on services being provided by County employees.

CONCLUSION

Upon approval by the Board, please return one adopted copy of the letter and two signed originals of the contract to the CEO Risk Management Branch, attention Steven T. Robles, County Risk Manager.

Respectfully submitted,

In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit H and incorporated by reference into and made a part of this Contract.

8.8.2 Written Employee Jury Service Policy

1. Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or

that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

2. For purposes of this Subparagraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. If the Contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor shall also be subject to the provisions of this Subparagraph. The provisions of this Subparagraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.
3. If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor shall have a continuing obligation to

review the applicability of its “exception status” from the Jury Service Program, and the Contractor shall immediately notify the County if the Contractor at any time either comes within the Jury Service Program’s definition of “Contractor” or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate, to the County’s satisfaction that the Contractor either continues to remain outside of the Jury Service Program’s definition of “Contractor” and/or that the Contractor continues to qualify for an exception to the Program.

4. Contractor’s violation of this Subparagraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar the Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

8.9 Conflict of Interest

If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this sub-paragraph shall be a material breach of this Contract.

8.10 Consideration of Hiring County Employees Targeted for Layoff/or Re-Employment List

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.

2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.
3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for

which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

8.25.7 Performance Security Requirements: Such surety may be provided by one of the following forms and conditioned upon faithful performance and satisfactory completion of services by Contractor.

Performance Bond: A faithful performance bond in the sum of not less than three (3) months of the contract value payable to the County of Los Angeles and executed by a corporate surety licensed to transact business in the State of California; or

Certificate of Deposit (CD) or Letter of Credit (LOC): A CD or an irrevocable LOC payable to the County of Los Angeles upon demand in an amount not less than three (3) months of the contract value. Such CD or LOC shall comply with the minimum standards established by the County and be maintained throughout the term of the Contract.

8.26 Liquidated Damages

8.26.1 If, in the judgment of the Chief Executive Officer, or designee, the Contractor is deemed to be non-compliant with the terms and obligations assumed hereby, the Chief Executive Officer, or designee, at his/her option, in addition to, or in lieu of, other remedies provided herein, may withhold the entire monthly payment or deduct pro rata from the Contractor's invoice for work not performed. A description of the work not performed and the amount to be withheld or deducted from payments to the Contractor from the County, will be forwarded to the Contractor by the Chief Executive Officer, or designee, in a written notice describing the reasons for said action.

8.26.2 If the Chief Executive Officer, or designee, determines that there are deficiencies in the performance of this Contract that the Chief Executive Officer, or designee, deems are correctable by the Contractor over a certain time span, the Chief Executive Officer, or designee, will provide a written notice to the Contractor to correct the deficiency within specified time frames. Should the Contractor fail to correct deficiencies within said time frame, the Chief Executive Officer, or designee, may: (a) Deduct from the Contractor's payment, pro rata, those applicable portions of the Monthly Contract Sum; and/or (b) Deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages

resulting from the failure of the Contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is One Hundred Dollars (\$100) per day per infraction and that the Contractor shall be liable to the County for liquidated damages in said amount. Said amount shall be deducted from the County's payment to the Contractor; and/or (c) Upon giving five (5) days notice to the Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to the Contractor from the County, as determined by the County.

8.26.3 The action noted in Subparagraph 8.26.2 shall not be construed as a penalty, but as adjustment of payment to the Contractor to recover the County cost due to the failure of the Contractor to complete or comply with the provisions of this Contract.

8.26.4 This Subparagraph shall not, in any manner, restrict or limit the County's right to damages for any breach of this Contract provided by law or as specified in Subparagraph 8.26.2, and shall not, in any manner, restrict or limit the County's right to terminate this Contract as agreed to herein.

8.27 Most Favored Public Entity

If the Contractor's prices decline, or should the Contractor at any time during the term of this Contract provide the same goods or services under similar quantity and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Contract, then such lower prices shall be immediately extended to the County.

8.28 Nondiscrimination and Affirmative Action

8.28.1 The Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding

companies are and shall be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations.

8.28.2 The Contractor shall certify to, and comply with, the provisions of Exhibit D (Contractor's EEO Certification).

8.28.3 The Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations. Such action shall include, but is not limited to: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

8.28.4 The Contractor certifies and agrees that it will deal with its subcontractors, bidders, or vendors without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation.

8.28.5 The Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies shall comply with all applicable Federal and State laws and regulations to the end that no person shall, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.

8.28.6 The Contractor shall allow County representatives access to the Contractor's employment records during regular business hours to verify compliance with the provisions of this Subparagraph 8.28 when so requested by the County.

8.28.7 If the County finds that any provisions of this Sub-paragraph 8.28 have been violated, such violation shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract. While the County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the anti-discrimination provisions of this Contract.

8.28.8 The parties agree that in the event the Contractor violates any of the anti-discrimination provisions of this Contract, the County shall, at its sole option, be entitled to the sum of Five Hundred Dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

8.29 Non Exclusivity

Nothing herein is intended nor shall be construed as creating any exclusive arrangement with the Contractor. This Contract shall not restrict the CEO from acquiring similar, equal or like goods and/or services from other entities or sources.

8.30 Notice of Delays

Except as otherwise provided under this Contract, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party shall, within one (1) business day, give notice thereof, including all relevant information with respect thereto, to the other party.

8.31 Notice of Disputes

The Contractor shall bring to the attention of the County's Contract Administrator any dispute between the County and the Contractor regarding the performance of services as stated in this Contract. If

the County's Contract Administrator is not able to resolve the dispute, the County's Risk Manager or designee shall resolve it.

8.32 Notice to Employees Regarding the Federal Earned Income Credit

The Contractor shall notify its employees, and shall require each Subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the Federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice No. 1015.

8.33 Notice to Employees Regarding the Safely Surrendered Baby Law

The Contractor shall notify and provide to its employees, and shall require each Subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in Exhibit I of this Contract and is also available on the Internet at www.babysafela.org for printing purposes.

8.34 Notices

All notices or demands required or permitted to be given or made under this Contract shall be in writing and shall be hand delivered with signed receipt or mailed by first-class registered or certified mail, postage prepaid, addressed to the parties as identified in Exhibits E (County's Administration) and F (Contractor's Administration). Addresses may be changed by either party giving ten (10) days prior written notice thereof to the other party. The County's Risk Manager shall have the authority to issue all notices or demands required or permitted by the County under this Contract.

8.35 Prohibition Against Inducement or Persuasion

Notwithstanding the above, the Contractor and the County agree that, during the term of this Contract and for a period of one year thereafter, neither party shall in any way intentionally induce or persuade any employee of one party to become an employee or

agent of the other party. No bar exists against any hiring action initiated through a public announcement.

8.36 Public Records Act

8.36.1 Any documents submitted by the Contractor; all information obtained in connection with the County's right to audit and inspect the Contractor's documents, books, and accounting records pursuant to Subparagraph 8.38 (Record Retention and Inspection/Audit Settlement) of this Contract; as well as those documents which were required to be submitted in response to the Request for Proposals (RFP) used in the solicitation process for this Contract, become the exclusive property of the County. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

8.36.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

8.37 Publicity

8.37.1 The Contractor shall not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the Contractor's need to identify its services and related clients to sustain itself, the County shall not inhibit the Contractor from publishing its role under this Contract within the following conditions:

- The Contractor shall develop all publicity material in a professional manner; and
- During the term of this Contract, the Contractor shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the County's Risk Manager. The County shall not unreasonably withhold written consent.

8.37.2 The Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Contract with the County of Los Angeles, provided that the requirements of this Sub-paragraph 8.37 shall apply.

8.38 Record Retention and Inspection/Audit Settlement

The Contractor shall maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. The Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Contract. The Contractor agrees that the County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Contract. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Contract and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

- 8.38.1 In the event that an audit of the Contractor is conducted specifically regarding this Contract by any Federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, then the Contractor shall file a copy of such audit report with the County's Auditor-Controller within thirty (30) days of the Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Contract. Subject to applicable law, the County shall make a reasonable effort to maintain the confidentiality of such audit report(s).
- 8.38.2 Failure on the part of the Contractor to comply with any of the provisions of this Subparagraph 8.38 shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.
- 8.38.3 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.
- 8.38.4 In addition to the above, the Contractor agrees, should the County or its authorized representatives determine, in the County's sole discretion, that it is necessary or appropriate to review a broader scope of the Contractor's records (including, certain records related to non-County contracts) to enable the County to evaluate the Contractor's

compliance with the County's Living Wage Program, that the Contractor shall promptly and without delay provide to the County, upon the written request of the County or its authorized representatives, access to and the right to examine, audit, excerpt, copy, or transcribe any and all transactions, activities, or records relating to any of its employees who have provided services to the County under this Contract, including without limitation, records relating to work performed by said employees on the Contractor's non-County contracts. The Contractor further acknowledges that the foregoing requirement in this Subparagraph relative to Contractor's employees who have provided services to the County under this Contract is for the purpose of enabling the County in its discretion to verify the Contractor's full compliance with and adherence to California labor laws and the County's Living Wage Program. All such materials and information, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Contract and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such materials and information prior to such time. All such materials and information shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such materials and information is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such materials and information at such other location.

8.39 Recycled Bond Paper

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Contract.

8.40 Subcontracting

- 8.40.1 The requirements of this Contract may not be subcontracted by the Contractor **without the advance approval of the County**. Any attempt by the Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Contract.
- 8.40.2 If the Contractor desires to subcontract, the Contractor shall provide the following information promptly at the County's request:
- A description of the work to be performed by the Subcontractor;
 - A draft copy of the proposed subcontract; and
 - Other pertinent information and/or certifications requested by the County.
- 8.40.3 The Contractor shall indemnify and hold the County harmless with respect to the activities of each and every Subcontractor in the same manner and to the same degree as if such Subcontractor(s) were the Contractor employees.
- 8.40.4 The Contractor shall remain fully responsible for all performances required of it under this Contract, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.
- 8.40.5 The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including Subcontractor employees, providing services under this Contract. The Contractor is responsible to notify its Subcontractors of this County right.
- 8.40.6 The County Risk Manager is authorized to act for and on behalf of the County with respect to approval of any subcontract and Subcontractor employees. After approval of the subcontract by the County, Contractor shall forward a fully executed subcontract to the County for their files.

8.40.7 The Contractor shall be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.

8.40.8 The Contractor shall obtain certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by the County from each approved subcontractor. The Contractor shall ensure delivery of all such documents to:

County of Los Angeles, Chief Executive Office
Risk Management Operations – Contracts
3333 Wilshire Boulevard, Suite 820
Los Angeles, CA 90010

before any subcontractor employee may perform any work hereunder.

8.41 Termination for Breach of Warranty To Maintain Compliance with County's Child Support Compliance Program

Failure of the Contractor to maintain compliance with the requirements set forth in Subparagraph 8.14 (Contractor's Warranty of Adherence to County's Child Support Compliance Program), shall constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate this Contract pursuant to Subparagraph 8.43 (Termination for Default) and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

8.42 Termination for Convenience

8.42.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to the Contractor specifying the extent to which performance of work is terminated and the date upon which such

termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

8.42.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall:

- Stop work under this Contract on the date and to the extent specified in such notice, and
- Complete performance of such part of the work as shall not have been terminated by such notice.

8.42.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Contract shall be maintained by the Contractor in accordance with Subparagraph 8.38 (Record Retention and Inspection/Audit Settlement).

8.43 Termination for Default

8.43.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Contract, if, in the judgment of County's Risk Manager:

- Contractor has materially breached this Contract; or
- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or
- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.43.2 In the event that the County terminates this Contract in whole or in part as provided in Subparagraph 8.43.1, the County may procure, upon such terms and in such manner

as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this Subparagraph.

8.43.3 Except with respect to defaults of any Subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in Subparagraph 8.43.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a Subcontractor, and if such default arises out of causes beyond the control of both the Contractor and Subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this Subparagraph, the term "subcontractor(s)" means subcontractor(s) at any tier.

8.43.4 If, after the County has given notice of termination under the provisions of this Subparagraph 8.43, it is determined by the County that the Contractor was not in default under the provisions of this Subparagraph 8.43, or that the default was excusable under the provisions of Subparagraph 8.43.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Subparagraph 8.42 (Termination for Convenience).

- 8.43.5 The rights and remedies of the County provided in this Sub-paragraph 8.43 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.44 Termination for Improper Consideration

- 8.44.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.
- 8.44.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.
- 8.44.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

8.45 Termination for Insolvency

- 8.45.1 The County may terminate this Contract forthwith in the event of the occurrence of any of the following:
- Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the

Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;

- The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
- The appointment of a Receiver or Trustee for the Contractor; or
- The execution by the Contractor of a general assignment for the benefit of creditors.

8.45.2 The rights and remedies of the County provided in this Subparagraph 8.45 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.46 Termination for Non-Adherence of County Lobbyist Ordinance

The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the County may in its sole discretion, immediately terminate or suspend this Contract.

8.47 Termination for Non-Appropriation of Funds

Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.48 Validity

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

8.49 Waiver

No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this Subparagraph 8.49 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.50 Warranty Against Contingent Fees

8.50.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.50.2 For breach of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

8.51 Warranty of Compliance with County's Defaulted Property Tax Reduction Program

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this contract will maintain compliance, with Los Angeles County Code Chapter 2.206.

8.52 Termination for Breach of Warranty to Maintain Compliance with County's Defaulted Property Tax Reduction Program

Failure of Contractor to maintain compliance with the requirements set forth in Subparagraph 8.51 (Warranty of Compliance with County's Defaulted Property Tax Reduction Program) shall constitute default under this contract. Without limiting the rights and remedies available to County under any other provision of this contract, failure of Contractor to cure such default within ten (10) days of notice shall be grounds upon which County may terminate this contract and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

9.0 UNIQUE TERMS AND CONDITIONS

9.1 Compliance with the County's Living Wage Program

9.1.1 Living Wage Program

This Contract is subject to the provisions of the County's ordinance entitled Living Wage Program as codified in Sections 2.201.010 through 2.201.100 of the Los Angeles County Code, a copy of which is attached as Exhibit J and incorporated by reference into and made a part of this Contract.

9.1.2 Payment of Living Wage Rates

1. Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not an "Employer" as defined under the Program (Section 2.201.020 of the County Code) or that the Contractor qualifies for an exception to the Living Wage Program (Section 2.201.090 of the County Code), the Contractor shall pay its Employees no less than the applicable hourly living wage rate, as set forth

immediately below, for the Employees' services provided to the County, including, without limitation, "Travel Time" as defined below at Subsection 5 of this Subparagraph 9.1.2 under the Contract:

- a. Not less than \$11.84 per hour if, in addition to the per-hour wage, the Contractor contributes less than \$2.20 per hour towards the provision of bona fide health care benefits for its Employees and any dependents; or
 - b. Not less than \$9.64 per hour if, in addition to the per-hour wage, the Contractor contributes at least \$2.20 per hour towards the provision of bona fide health care benefits for its Employees and any dependents. The Contractor will be deemed to have contributed \$2.20 per hour towards the provision of bona fide health care benefits if the benefits are provided through the County Department of Health Services Community Health Plan. If, at any time during the Contract, the Contractor contributes less than \$2.20 per hour towards the provision of bona fide health care benefits, the Contractor shall be required to pay its Employees the higher hourly living wage rate.
2. For purposes of this Subparagraph, "Contractor" includes any subcontractor engaged by the Contractor to perform services for the County under the Contract. If the Contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor shall be subject to the provisions of this Subparagraph. The provisions of this Subparagraph shall be inserted into any such subcontract and a copy of the Living Wage Program shall be attached to the subcontract. "Employee" means any individual who is an employee of the Contractor under the laws of California, and who is providing full-time services to the Contractor, some or all of which are provided to the County under

the Contract. "Full-time" means a minimum of forty (40) hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the County; however, fewer than thirty-five (35) hours worked per week will not, in any event, be considered full-time.

3. If the Contractor is required to pay a living wage when the Contract commences, the Contractor shall continue to pay a living wage for the entire term of the Contract, including any option period.
4. If the Contractor is not required to pay a living wage when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its "exemption status" from the living wage requirement. The Contractor shall immediately notify the County if the Contractor at any time either comes within the Living Wage Program's definition of "Employer" or if the Contractor no longer qualifies for an exception to the Living Wage Program. In either event, the Contractor shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of the Contract, including any option period. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate to the County's satisfaction that the Contractor either continues to remain outside of the Living Wage Program's definition of "Employer" and/or that the Contractor continues to qualify for an exception to the Living Wage Program. Unless the Contractor satisfies this requirement within the time frame permitted by the County, the Contractor shall immediately be required to pay the living wage for the remaining term of the Contract, including any option period.
5. For purposes of the Contractor's obligation to pay its Employees the applicable hourly living wage rate under this Contract, "Travel Time" shall have the

following two meanings, as applicable: 1) With respect to travel by an Employee that is undertaken in connection with this Contract, Travel Time shall mean any period during which an Employee physically travels to or from a County facility if the Contractor pays the Employee any amount for that time or if California law requires the Contractor to pay the Employee any amount for that time; and 2) With respect to travel by an Employee between County facilities that are subject to two different contracts between the Contractor and the County (of which both contracts are subject to the Living Wage Program), Travel Time shall mean any period during which an Employee physically travels to or from, or between such County facilities if the Contractor pays the Employee any amount for that time or if California law requires the Contractor to pay the Employee any amount for that time.

9.1.3 Contractor's Submittal of Certified Monitoring Reports

The Contractor shall submit to the County certified monitoring reports at a frequency instructed by the County. The certified monitoring reports shall list all of the Contractor's Employees during the reporting period. The certified monitoring reports shall also verify the number of hours worked, the hourly wage rate paid, and the amount paid by the Contractor for health benefits, if any, for each of its Employees. The certified monitoring reports shall also state the name and identification number of the Contractor's current health care benefits plan, and the Contractor's portion of the premiums paid as well as the portion paid by each Employee. All certified monitoring reports shall be submitted on forms provided by the County (Exhibit K and Exhibit L), or other form approved by the County which contains the above information. The County reserves the right to request any additional information it may deem necessary. If the County requests additional information, the Contractor shall promptly provide such information. The Contractor, through one of its officers, shall certify under penalty of perjury that the information

contained in each certified monitoring report is true and accurate.

9.1.4 Contractor's Ongoing Obligation to Report Labor Law/Payroll Violations and Claims

During the term of the Contract, if the Contractor becomes aware of any labor law/payroll violation or any complaint, investigation or proceeding ("claim") concerning any alleged labor law/payroll violation (including but not limited to any violation or claim pertaining to wages, hours and working conditions such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination), the Contractor shall immediately inform the County of any pertinent facts known by the Contractor regarding same. This disclosure obligation is not limited to any labor law/payroll violation or claim arising out of the Contractor's contract with the County, but instead applies to any labor law/payroll violation or claim arising out of any of the Contractor's operations in California.

9.1.5 County Auditing of Contractor Records

Upon a minimum of twenty-four (24) hours' written notice, the County may audit, at the Contractor's place of business, any of the Contractor's records pertaining to the Contract, including all documents and information relating to the certified monitoring reports. The Contractor is required to maintain all such records in California until the expiration of four (4) years from the date of final payment under the Contract. 9.1.7 Enforcement and Remedies

If the Contractor fails to comply with the requirements of this Subparagraph, the County shall have the rights and remedies described in this Subparagraph in addition to any rights and remedies provided by law or equity.

1. Remedies For Submission of Late or Incomplete Certified Monitoring Reports. If the Contractor submits a certified monitoring report to the County after the date it is due or if the report submitted does not contain all of the required information or is inaccurate or is not properly certified, any such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:
 - a. Withholding of Payment. If the Contractor fails to submit accurate, complete, timely and properly certified monitoring reports, the County may withhold from payment to the Contractor up to the full amount of any invoice that would otherwise be due, until the Contractor has satisfied the concerns of the County, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
 - b. Liquidated Damages. It is mutually understood and agreed that the Contractor's failure to submit an accurate, complete, timely and properly certified monitoring report will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated

damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including but not limited to being late, inaccurate, incomplete or uncertified, it is agreed that the County may, in its sole discretion, assess against the Contractor liquidated damages in the amount of \$100 per monitoring report for each day until the County has been provided with a properly prepared, complete and certified monitoring report. The County may deduct any assessed liquidated damages from any payments otherwise due the Contractor.

- c. Termination. The Contractor's continued failure to submit accurate, complete, timely and properly certified monitoring reports may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

- 2. Remedies for Payment of Less Than the Required Living Wage. If the Contractor fails to pay any Employee at least the applicable hourly living wage rate, such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

- a. Withholding Payment. If the Contractor fails to pay one or more of its Employees at least the applicable hourly living wage rate, the County may withhold from any payment otherwise due the Contractor the aggregate difference between the living wage amounts the Contractor was required to pay its Employees for a given pay

period and the amount actually paid to the employees for that pay period. The County may withhold said amount until the Contractor has satisfied the County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

- b. Liquidated Damages. It is mutually understood and agreed that the Contractor's failure to pay any of its Employees at least the applicable hourly living wage rate will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor's breach. Therefore, it is agreed that the County may, in its sole discretion, assess against the Contractor liquidated damages of \$50 per Employee per day for each and every instance of an underpayment to an Employee. The County may deduct any assessed liquidated damages from any payments otherwise due the Contractor.
 - c. Termination. The Contractor's continued failure to pay any of its Employees the applicable hourly living wage rate may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.
3. Debarment. In the event the Contractor breaches a requirement of this Subparagraph, the County may, in its sole discretion, bar the Contractor from the award of future County contracts for a period of time

consistent with the seriousness of the breach, in accordance with Los Angeles County Code, Chapter 2.202, Determinations of Contractor Non-Responsibility and Contractor Debarment.

9.1.8 Use of Full-Time Employees

The Contractor shall assign and use full-time Employees of the Contractor to provide services under the Contract unless the Contractor can demonstrate to the satisfaction of the County that it is necessary to use non-full-time Employees based on staffing efficiency or County requirements for the work to be performed under the Contract. It is understood and agreed that the Contractor shall not, under any circumstance, use non-full-time Employees for services provided under the Contract unless and until the County has provided written authorization for the use of same. The Contractor submitted with its proposal a full-time Employee staffing plan. If the Contractor changes its full-time Employee staffing plan, the Contractor shall immediately provide a copy of the new staffing plan to the County.

9.1.9 Contractor Retaliation Prohibited

The Contractor and/or its Employees shall not take any adverse action which would result in the loss of any benefit of employment, any contract benefit, or any statutory benefit for any Employee, person or entity who has reported a violation of the Living Wage Program to the County or to any other public or private agency, entity or person. A violation of the provisions of this Subparagraph may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

9.1.10 Contractor Standards

During the term of the Contract, the Contractor shall maintain business stability, integrity in employee relations and the financial ability to pay a living wage to its employees. If requested to do so by the County, the

9.1.12 Neutrality in Labor Relations

The Contractor shall not use any consideration received under the Contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of the Contractor's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining Contract, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

9.2 **Contractor's Acknowledgment of County's Status Under the Health Insurance Portability and Accountability Act of 1996 and Limitations on Contractor's Access to County Protected Health Information**

The County is subject to the Administrative Simplification requirements of the Health Insurance Portability and Accountability Act of 1996 (HIPAA). In any case of apparent inconsistency between services as stated in the Contract and the SOW and this PRS, the meaning apparent in the Contract and the SOW will prevail. If any service seems to be created in this PRS which is not clearly and forthrightly set forth in the Contract and the SOW, that apparent service will be null and void and place no requirement on Contractor.

However, recent updates to Paragraph 10.0, "Specific Work Requirements" above are to be addressed in the process of developing contracts. Fee impact performance audits will be completed annually by an independent auditor chosen by the County.

13.0 PAYMENT AND ADJUSTMENTS TO PAYMENT

The Contractor shall reimburse the County for any overpayment, fine, penalty, or other cost incurred due to the Contractor's failure to comply with State of California WC statutes, codes, regulations, or any term or condition of the Contract. Such failures include but are not limited to:

- 13.2.1.1 Late payment or nonpayment of any benefit to any applicant or medical provider resulting in penalty or attorney fees.

Annual Audit Performance Score < 75%	Base Fee Less 4.5%
Annual Audit Performance Score ≥ 75% but <80%	Base Fee Less 1.5%
Annual Audit Performance Score ≥80% but <85%	100% of Base Fee
Annual Audit Performance Score ≥85% but <90%	Base Fee Plus 1.5%
Annual Audit Performance Score ≥90% but <95%	Base Fee Plus 3.0%
Annual Audit Performance Score ≥95%	Base Fee Plus 4.5%
Subrogation recoveries during contract year exceeds subrogation recoveries during prior year	Base Fee Plus .5%, subject to a maximum of 50% of the increased recovery dollars.
Examiner staffing levels do not meet requirements of Subparagraph 6.4 of this SOW	\$7,000 for each aggregate thirty (30) calendar days a position is vacant.

The performance score (%) shall be determined by random-sample audits commencing soon after the end of the first contract year and conducted at least annually thereafter by the County Monitors or an independent auditor for compliance with standards described in Technical Exhibits VIII and IX, 'Quality of Work Performance Requirement Summary.' The CCA may update the areas to be audited and the factors to be considered in determining the performance score, providing notice to the Contractor. Initial performance audit for application of incentives shall focus on performance from six (6) months post contract onset through first contract anniversary. Thereafter, audits shall focus on annual performance periods.

Reimbursements overdue by 60 days may be added to the adjustment to monthly fee payments.

- 13.2.2.1 Incentives are incorporated to facilitate partnership between the County and the Contractor to achieve operational efficiency and contain costs. Accordingly, The Contractor is requested to recommend additional performance incentives for the County's consideration. The County reserves the right to determine the final audit and/or evaluation criteria for incentives.
- 13.2.3 The County shall give notice to the Contractor of any assessment or adjustments to payments planned detailing the determination methodology. The Contractor shall have 60 days to respond in writing to the notice. The response shall include but not be limited to:
 - 13.2.3.1 Evidence that the penalty was not incurred or an overpayment or excessive cost was not made.
 - 13.2.3.2 Evidence that the Contractor's act(s) and/or omissions(s) did not cause the penalty, overpayment, or excess cost.
- 13.2.4 Second level dispute resolution process
 - 13.2.4.1 If after the Contractor's response to the County's notice of assessment of adjustment to payments, the County and Contractor are in disagreement, a second level dispute resolution process will be conducted. The CCA or his/her appointed designee and the appropriate

Contractor designee shall review the evidence and resolve the dispute. Second level dispute resolution process shall be completed within sixty (60) calendar days.

13.2.4.2 At the end of the second-level dispute resolution process, the County shall be entitled to reduce the Contractor's monthly invoices for assessments of adjustments to payments.

13.2.5 Any increase or decrease calculated based on the performance score shall use the Base Fee at the time audited work was performed by the Contractor. Payment may be made in a lump sum within 60 days after the County submits the final audit results, or by equal monthly installments over a one year-period commencing within the same 60-day period.

14.0 INTENTIONALLY OMITTED

- 15.1 If, at any time during the term of the Contract or within five years ~~or~~ after the expiration or termination of the Contract, authorized representatives of the County conduct an audit of the Contractor regarding the services provided to the County hereunder and if as a result of such audit it is determined that the County's dollar liability for such services is less than payments made by the County to the Contractor, then the Contractor agrees that the difference, at the CCA's option, shall be either: (1) repaid forthwith by the Contractor to the County by cash payment, or (2) credited against any future payments hereunder to the Contractor.
- 15.2 If as a result of such audit it is determined that the County's dollar liability for services provided hereunder is more than payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County provided that in no event shall the County's maximum obligation exceed the amount appropriated by the Board of Supervisors.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

Page 1 of 3

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

2.201.010 Findings.

The board of supervisors finds that the county of Los Angeles is the principal provider of social and health services within the county, especially to persons who are compelled to turn to the county for such services. Employers' failure to pay a living wage to their employees causes them to use such services thereby placing an additional burden on the county of Los Angeles. (Ord. 2007-0011 § 1, 2007: Ord. 99-0048 § 1 (part), 1999.)

2.201.020 Definitions.

The general definitions contained in Chapter 2.02 shall be applicable to this chapter unless inconsistent with the following definitions:

A. "County" includes the county of Los Angeles, any county officer or body, any county department head, and any county employee authorized to enter into a Proposition A contract or a cafeteria services contract with an employer.

B. "Employee" means any individual who is an employee of an employer under the laws of California, and who is providing full time services to an employer, some or all of which are provided to the county of Los Angeles under a Proposition A contract, or under a cafeteria services contract at a county of Los Angeles owned or leased facility.

C. "Employer" means:

1. An individual or entity who has a contract with the county:

b. For cafeteria services, referred to in this chapter as a "cafeteria services contract," and

c. Who has received or will receive an aggregate sum of \$25,000.00 or more in any 12 month period under one or more Proposition A contracts and/or one or more cafeteria services contracts; or

D. "Full time" means a minimum 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the chief administrative officer, but in no event less than 35 hours worked per week.

E. "Proposition A contract" means a contract governed by Title 2, Section 2.121.250 et seq. of this code, entitled Contracting with Private Business. (Ord. 2007-0011 § 2, 2007: Ord. 99-0048 § 1 (part), 1999.)

2.201.030 Prospective effect.

This chapter shall be applicable to Proposition A contracts and cafeteria services contracts and their amendments the terms of which commence three months or more after the effective date of this chapter.* It shall not be applicable to Proposition A contracts or cafeteria services contracts or their amendments in effect before this chapter becomes applicable. (Ord. 99-0048 § 1 (part), 1999.)

* **Editor's note:** Ordinance 99-0048, which enacted Ch. 2.201, is effective on July 22, 1999.

2.201.040 Payment of living wage.

A. Employers shall pay employees a living wage for their services provided to the county of no less than the hourly rates set under this chapter. The rates shall be \$9.64 per hour with health benefits, or \$11.84 per hour without health benefits.

B. Proof of the provision of such benefits must be submitted to the county for evaluation during the procurement process to qualify for the lower living wage rate in subsection A of this section. Employers who provide health care benefits to employees through the county department of health services community health plan are deemed to have qualified for the lower living wage rate in subsection A of this section.

C. The board of supervisors may, from time to time, adjust the amounts specified in subsections A and B of this section, above for future contracts. Any adjustments to the living wage rate specified in subsections A and B that are adopted by the board of supervisors shall be applicable to Proposition A contracts and cafeteria services contracts and their amendments which become effective three months or more after the effective date of the ordinance that adjusts the living wage rate. (Ord. 2007-0011 § 3, 2007: Ord. 99-0048 § 1 (part), 1999.)

2.201.050 Other provisions.

B. Neutrality in Labor Relations. An employer shall not use any consideration received under a Proposition A contract or a cafeteria services contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of an employer's employees, except that this

restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining agreement, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

Such reports shall be made at the times and in the manner set forth in instructions issued by the chief administrative officer in conjunction with the affirmative action compliance officer. The affirmative action compliance officer in conjunction with the chief administrative officer shall report annually to the board of supervisors on contractor compliance with the provisions of this chapter.

(Ord. 99-0048 § 1 (part), 1999.)

2.201.070 Employee retention rights.

CHIEF EXECUTIVE OFFICE RISK MANAGEMENT BRANCH

All of the programs below contribute to the following objectives: to place employees in jobs in which they can perform safely and effectively; to reduce the loss of time due to illness or injury; to reduce the number of retirements which are a result of disability; to meet legal mandates related to health, safety and insurance; and to accomplish the above at the least possible cost.

WORKERS' COMPENSATION CLAIMS PROGRAM

The primary objective of the program is to provide all workers' compensation benefits required under state law to injured County employees on a timely basis and at the least possible cost to the County. These benefits include medical care, temporary disability compensation, permanent disability compensation, vocational rehabilitation and supplemental job displacements benefits, and death benefits.

Major activities include: determining the County's workers' compensation liability for job-related injuries and illnesses newly reported each year; providing statutory workers' compensation benefits and expenses; coordinating statutory benefits with salary continuation and Labor Code 4850 benefits for injury claims determined to be work related involving leave of absence from work; investigating all disability; monitoring medical care of injured employees to ensure necessary and appropriate treatment is offered and arranged; coordinating the preparation of all litigated cases with the County Counsel; referring appropriate claims to departmental Return-to-Work Coordinators and rehabilitation staff; and identifying possible safety problems to timely provide this information to appropriate County staff.

EARLY RETURN-TO-WORK PROGRAM

The Early Return-to-Work Program was established to conserve human resources by returning ill or injured employees to work as soon as possible during the recovery period. The Program's activities are carried out by departmental Return-to-Work Coordinators, with technical assistance and policy guidance of the return-to-work/rehabilitation staff of the Chief Executive Office. Successful return-to-work program efforts increase employee productivity through reduction and control of lost time, the costs of rehabilitation benefits, long-term disability payments, and disability retirement benefits.

LONG TERM DISABILITY AND SURVIVOR PLAN

The Long-Term Disability Plan provides income benefits to employees who are expected to be disabled from the job for six months or more. The Plan also provides survivor benefits to the spouse or eligible children of any deceased employee who would otherwise have qualified for disability benefits. The staff of the Long Term Disability third party administrator receives, evaluates, and determines eligibility of disability and survivor claimants. The plan covers approximately 83,052 Active General Members of Retirement Plans A - E.

MEGA-FLEX SHORT TERM DISABILITY

The Short-Term Disability (STD) Plan covers approximately 11,254 employees who are enrolled in the County's Mega-Flex benefit program. The STD Plan provides disability benefits for periods of disability of less than six months for either work-related or non-work-related illness or injury. The STD benefits are coordinated with workers' compensation temporary disability benefits.

OTHER COUNTY DEPARTMENTS PROVIDING WORKERS' COMPENSATION PROGRAM SERVICES

COUNTY COUNSEL: Workers' Compensation Division

The Workers' Compensation Division represents the County of Los Angeles in the defense of workers' compensation claims that are filed against the County before the Workers' Compensation Appeals Board and the State Appellate Courts. This Division provides advice and counsel to the Risk Management Branch of the Chief Executive Office and also designates private law firms to provide legal counsel.

COUNTY AUDITOR-CONTROLLER: Disbursements Division

The Risk Management Branch and the Third Party Administrators (TPAs) authorize the payments to be made on workers' compensation claims. The General Claims Section of the Disbursements Division of the Auditor-Controller receives the authorizations and issues the warrants. The Workers' Compensation and Budget and Fiscal Services of the Chief Executive Office provide fiscal, clerical, and data processing support services relating to all payment activity.

COUNTY INFORMATION SYSTEMS EQUIPMENT LIST TO CONNECT TO GENCOMP

Equipment lists to connect to the County of Los Angeles' Workers' Compensation Computer System:

Computer Equipment Provided by County

1. IBM RISC System/6000 computer
2. GenComp claims administration software
3. The GIFW application will install the following on the client PC's:
 - GIFW – the necessary GenIRIS for Windows applications including GenWORD;
 - UniVerse UVODBC driver – the ODBC driver needed for the UniVerse database;
 - UniVerse OniObjects – proprietary API for the UniVerse database;
 - English Wizard – reporting tool used to ask "English" questions to query against the database; and
 - Sybase SOL Anywhere 5.0 – two small single-user, read-only databases, and the necessary ODBC drivers.

In addition, the client PCs must have Microsoft Word (version 97 w/SR1 or higher through XP) and Microsoft WordViewer, which can be downloaded from the Microsoft's website.

GenSource is currently recommending Pentium 4 2.0 GHz PCs with 256 MB of RAM. GIFW will run on slower PCs; however, faster PCs will provide faster response times. The Contractor shall have a minimum configuration of Pentium 3 800 MHz PCs with 256 MB of RAM. GIFW requires approximately 100MB for installation. GIFW has been tested with Windows 9X, NT workstation, and Windows 2000 Professional. GenSource clients are using GIFW with Windows XP, but GenSource has not officially certified it on Windows XP.

Additional Equipment to be Provided by TPA

4. Ethernet Local Area Network with personal computers having Pentium 4 2.0 GHz processors with 256 MB of RAM. In addition, the personal computers must have Windows, Microsoft Word (version 2000 or XP), Excel (2000), and Microsoft WordViewer.
5. Communications
 - a. Telephone link-up T-1 lines or other compatible or better electronic link-up.
 - b. GIFW requires the TCP/IP protocol running on ports 23, 512 and 31438. Ideally, the client PCs and the database server will be located in the same LAN at 33 Mbps or better.
6. Printers compatible with the County's GENCOMP System

QUALITY OF WORK PERFORMANCE REQUIREMENTS SUMMARY

A. Introduction

The County or its authorized representative shall have the right at all times to monitor and inspect Contractor's performance under this Contract. This Exhibit sets forth the performance requirements that will apply to Contractor's service hereunder. Exhibit IX sets forth the County's performance expectations.

The County expects a high standard of the Contractor's performance under this Contract. The Contractor shall provide the County, or its authorized representative, reasonable access at all times during the Contractor's business hours for the purpose of monitoring and inspecting the Contractor's services hereunder. The County Contract Administrator (CCA) will make every effort to work with the Contractor to resolve any areas of difficulty; however, it is the Contractor's responsibility to satisfactorily provide all the services in the Statement of Work.

B. Measurements

The County may use a variety of inspection methods to evaluate the Contractor's performance. The methods of monitoring may include, but are not limited to the following:

- A comprehensive and complete audit by an independent auditor shall be conducted on each administrator annually to determine fee impact focusing on results;
- The Risk Management Branch designee shall request periodic audits of each administrator by County staff or an independent auditor to develop desired TPA performance focusing on processes;
- Monitoring by OSCRs;
- The County will have access to the appropriate employment documents to verify that the claims examiners meet the minimum qualifications and experience;
- Departmental complaints or user complaints;
- Random sampling of completed reports and case files. An audit shall be performed by the QAE, County representatives for periodic audits or an independent outside auditor for annual fee impact audits; and
- Other methods deemed by the CCA/designee to be appropriate for the evaluation of the Contractor's performance.

Measured components are described in Appendix B, Section 10 and Appendix C, Technical Exhibit IX.

C. Performance Indicators

The County will apply performance indicators to work requirements under the contract in accordance with industry best practices described in Appendix C, Technical Exhibit IX and the County's own Audit Criteria. The County's Audit Tool addresses components including Liability Decision, Investigation, Subrogation, Reserve Adequacy, Gencomp Database (usage), Payment Data, Case Administration, Return to Work and Medical Only. Each component is assessed using detailed instructions for reviewing each claim against component criteria questions, which when answered "yes," "no," or "not applicable" are weighted based upon the importance of the claims handling activity to the County. For reviewed claims, weighting is applied to 'yes' and 'no' determinations and the sum is divided into the sum for 'yes' to determine the TPA's percentage of compliance.

These performance indicators and the County's Audit Tool may change from time to time due to statutory requirements or agreement with the Contractor. The County's Audit Tool shall be thoroughly discussed with the TPA selected as a result of this solicitation during contract negotiations.

QUALITY OF WORK PERFORMANCE REQUIREMENTS SUMMARY

“BEST PRACTICES” WORKERS’ COMPENSATION CLAIMS PROGRAM

1. Contact and Setup

Best practices require initial three-point contact (employee, department, and physician) within three days of receipt of assignment. If contact is not successful within that time frame, documentation must reflect at least three attempts to do so. Initial contact must be effective in determining or verifying incident facts, establishing rapport, and developing a strategy for further handling.

Physician contact may be completed by a nurse case manager, if assigned.

The claim must be entered accurately into the County’s CIS system within 24 hours of receipt to allow timely recording and response to inquiries from employees and physicians. CIS data must be updated as necessary throughout the claim.

Does the TPA:

- *Establish contact with the parties within the required time frame?*
- *If not, does the TPA document its efforts to do so, and take steps to contact through the mail or through the employee’s supervisor?*
- *Obtain information necessary to confirm compensability, or establish a strategy to determine compensability?*
- *If contact with the department is not successful, does the examiner take steps to obtain assistance from the OSCR?*
- *Enter claims into the CIS system within one business day?*
- *Enter claims information accurately?*
- *Update CIS data promptly?*

2. Claims Investigation and Compensability Determination

Best practices require the determination to accept, delay or deny the claim be made within 14 days of the employee filing a DWC-1. All decisions must have a factual basis and be documented in the claims file. If compensability is not determined, an action plan must address needed steps and anticipated time frame. While the statute allows 90 days for benefit determination, this determination must be made as soon as reasonably possible. The County requires ISO index reporting and EDEX reporting for all indemnity claims. Indexing should be repeated at reasonable intervals to identify intervening accidents. Investigation requires the examiner to obtain all relevant medical records to establish apportionment.

Does the TPA:

- *Properly determine and document compensability?*
- *Determine compensability timely according to statute AND reasonable investigation needs?*
- *Recognize the need for and pursue outside field investigation?*
- *Pursue sub-rosa investigation with necessary approvals where appropriate?*
- *Conduct investigation adequately to determine compensability?*
- *Complete the investigation timely?*
- *Identify and pursue potential fraud?*
- *Complete index and EDEX filings timely?*
- *Identify apportionment and obtain medical records to support it?*

3. Compliance with Statutes

Best practices for statutory compliance include adherence to all state and federal laws and regulations regarding the administration of claims. These laws and regulations govern timely provision of indemnity, supplemental job disability and medical benefits, including self-imposed penalties, timely and accurate provision of benefit notices, and compliance with regulations for Medicare reporting requirements.

Does the TPA:

- *Make initial benefit payments within statutory time requirements?*
- *Make subsequent payments timely?*
- *Issue self-imposed penalties where required?*
- *Issue transportation expenses timely?*
- *Issue medical payments timely, addressing disputes in writing?*
- *Issue award payments timely?*
- *Issue benefit notices in compliance with DIR regulations?*
- *Identify potential Medicare claims for reporting as required by MMSEA?*
- *Report claims involving Medicare recipients as required by MMSEA?*

4. Claim File Documentation

Best practices require a claim file to contain documentation supporting decisions and payments and require examiners to document significant activities and discussions that influence decisions. Electronic notes should mirror the paper file documentation. Paper and/or electronic documentation must include all documents required by the DIR. Documentation should be updated regularly, usually at 45-day intervals for active indemnity claims and 180 day intervals for future medical claims. Documentation must include a current action plan. Supervision at 120-day intervals must ensure compliance with documentation best practices.

Does the TPA:

- *Document all significant activity in claim notes?*
- *Support electronic documentation with the paper file?*
- *Maintain all required documents, such as the DWC-1, 5020, benefit notice copies, etc.*
- *Update active indemnity claims at 45-day intervals?*
- *Update medical only claims at 90-day intervals?*
- *Update future medical claims at 180-day intervals?*
- *Provide evidence of supervisory review every 120 days?*

5. Medical and Disability Management

Best practices require controlling medical care to the extent possible, using field and telephonic case management on appropriate claims, and complying with utilization review requirements. Medical verification of continued disability is required prior to issuing checks for temporary disability. Examiner oversight is required to ensure treating physician compliance with DIR regulations for treatment and reporting. Qualified and Agreed Medical Examiners should be used where appropriate, with supporting rationale documented. The examiner (or assigned nurse) must work with the treating physician and department to facilitate early return to modified work, with eventual return to full duty. Examiners must be proficient in estimating disability ratings, using independent rating experts where necessary.

Does the TPA:

- *Actively seek to control medical treatment within the first 30 days of the claim?*
- *Obtain utilization review for all but the most routine procedures?*
- *Have a written process governing utilization review procedures?*
- *Complete the utilization review process timely and ensure issuance of required notices?*
- *Mitigate temporary disability by providing the Department RTW Coordinator with work capacity guidance from the PTP within 10 days of receipt?*
- *Facilitate ergonomic activity required to promote return to work?*
- *Object timely to inappropriate medical treatment?*
- *Obtain medical verification of continuing disability prior to check issuance?*
- *Ensure physician compliance with DIR reporting regulations?*
- *Ensure injured worker is provided with QME notice in the event of a benefit termination or denial?*
- *Ensure a QME is requested on behalf of the employer if the employee does not make the request in the required time frame?*
- *Support rationale for use of AME versus QME in disputed claims?*
- *Proficiently estimate permanent disability?*
- *Properly apply the 15% increase or reduction to permanent disability?*

6. Litigation Management

Best practices require referral of new litigation to counsel within 30 days of receipt. A referral should include the examiner's assessment of the case and recommend strategy for disposition. The examiner must ensure counsel is provided copies of all investigation and medical reports and kept continually updated with new reports. Claim files must document communication between examiner and counsel to keep each other informed of resolution activities and hearing cancellations.

Does the TPA:

- *Take steps to avoid litigation where possible?*
- *Refer qualifying cases to counsel within 30 days of receipt?*
- *Include case assessment and proposed strategy in referral?*
- *Include copies of all investigation and medical reports with referral?*
- *Provide updated medical reports to counsel within 15 days of receipt?*
- *Update counsel with negotiation activities?*
- *Advise counsel to cancel hearings when case has been settled?*

7. Fiscal Management

Best practices for fiscal management include documentation of semi-annual balancing to ensure payments are paid appropriately. This requires comparing benefits owed to benefits paid. In cases of multiple losses with the same person, the examiner must confirm payments are made on the appropriate file. A sample "balancing sheet" is included in Appendix C, Technical Exhibit XVI. All payments must document appropriate payment authority.

Vendor payments must be paid promptly.

Does the TPA:

- *Verify statutory benefits owed match benefits paid for a given accounting period?*
- *Balance claim files with continuing indemnity payments at least semi-annually?*
- *Document balancing by clearly showing benefits owed, benefits paid, and anticipated benefits due?*
- *Pay vendors within 21 days of receipt of billing?*
- *Verify payment authority?*

8. Disposition Management

Best practices for disposition management include maintaining an appropriate diary to ensure an updated action plan focuses on case resolution. Diary review is anticipated at minimal 45 day intervals for active indemnity claims and 180 days for future medical claims. Diary must be documented and off-diary claims must generate supervisory intervention. Examiner evaluation of potential resolution should be documented within 10 days of receipt of information such as a

final medical report, a QME report, AME report, or attorney demand letter. Settlement rationale and settlement authority must be documented.

Does the TPA:

- *Maintain effective diary to ensure timely resolution is addressed?*
- *Supervise to ensure timely and effective diary review?*
- *Document diary review at 45-day intervals on active indemnity claims?*
- *Document diary review at 180-day intervals on future medical claims?*
- *Review documentation indicating potential resolution and evaluate within 10 days of receipt?*
- *Review and resolve liens where appropriate?*
- *Evaluate settlement and support evaluation with documented rationale?*
- *Document settlement authority?*

9. Communication

Best practices for communication require the administrator maintain continued contact with unrepresented injured workers to ensure rapport continues until disposition. The examiner must also keep in touch with departments to verify work status, facilitate return to modified duty and ultimately full duty. The examiner must update the department on the disposition plan. To maintain confidence and credibility, all written correspondence reasonably requiring a response should have a response within five working days. Telephone calls should be returned as soon as possible, but no later than prior to the end of the next business day. Required reports must be completed accurately within mandated time frames.

Does the TPA:

- *Maintain contact with the unrepresented injured worker at least bi-weekly during the period of temporary total or temporary partial disability?*
- *Maintain contact with the unrepresented injured worker at least monthly until MMI?*
- *Maintain contact with the department to facilitate return to work within medical restrictions?*
- *Confirm work status in conjunction with verification of disability?*
- *Update the department on the disposition plan?*
- *Respond to written correspondence within five working days?*
- *Respond to telephone calls prior to the end of the next business day?*
- *Complete reports within required timeframes?*
- *Provide the County's LTD/STD claims adjusting contractor with required information from the claim file?*

10. Reserve Management

Best practices for reserving require maintaining adequate reserves by component (medical, indemnity, expense) for the most probable ultimate outcome. Initial reserves must be set within the first seven days based on information received with the initial report and contacts. Adjustments are required within 30 days of receipt of information indicating an adjustment is required. Indemnity reserves should document anticipated temporary and permanent disability, including death benefits, if applicable. Medical reserves should document the type of treatment and the anticipated future costs. Once MMI, reserves should be based on average recurring cost for life expectancy, not reduced to present value. Expense reserves must represent anticipated legal costs, and other allocated expenses, including medical cost containment expenses.

Does the TPA:

- *Set the initial reserve within seven days of receipt of the claim?*
- *Rationalize initial reserves and subsequent reserves by component?*
- *Adjust reserves within 30 days of receipt of new information requiring an adjustment?*
- *Maintain a sufficient indemnity reserve?*
- *Maintain a sufficient medical reserve?*
- *Maintain a sufficient expense reserve?*
- *Reserve for the supplemental job disability benefit if the PD estimate qualifies and the injured worker has not returned to full duty?*

11. Recovery Management

Best practices for recoveries require the administrator to promptly identify and pursue subrogation opportunities. Pursuit requires prompt identification and notification of responsible parties. Once subrogation is established, the responsible party should be updated regularly on subrogation amounts. The statute of limitations should be protected and any legal activity should be preceded by a cost benefit analysis and approval by the County. Recovery amounts should be credited to the claim and posted to the CIS.

A claim involving potential excess coverage should be reported promptly to the excess carrier. The carrier's reporting requirements govern initial reporting and updates; absent written requirements, the carrier should be notified of any catastrophic injury or any claim where the incurred is expected to exceed 50% of the retention. Update reports should be provided at six month intervals, unless mandated sooner by the excess carrier. Excess payments should be requested quarterly to semi-annually, depending on amounts, with recoveries credited to the claim and posted to the CIS.

Does the TPA:

- *Have a process to promptly identify potential subrogation opportunities?*
- *Notify responsible parties within 10 days of identification?*
- *Update the responsible party bi-monthly on the subrogation amount?*
- *Protect the statute of limitations?*
- *Evaluate the cost versus benefit of litigating a subrogation claim?*
- *Identify potential second injury fund recovery?*
- *Provide the excess carrier with a prompt initial claim report?*
- *Provide the excess carrier with prompt update reports?*
- *Document recovery in the claim file within 10 days of receipt?*
- *Post recovery to CIS?*

12. Cost Containment

Best practices for cost containment require establishing agreements for billing practices with service providers. Bills received from service providers must be checked against the work product received and the agreements to assess reasonableness and reduce charges as warranted. Medical bills must be reviewed against the state fee schedule and any preferred provider agreements in place. A medical review service must be efficient to provide timely review and facilitate payment within the statutory time period, providing the biller with a clear explanation of the payment.

Does the TPA:

- *Review vendor bills for work product and compliance to billing agreements?*
- *Reduce charges, providing explanation, where warranted?*
- *Facilitate a timely bill review process?*
- *Provide accurate medical bill review?*

Workers' Compensation Payments and Negotiation Authorization Limits

Worker' Compensation Claims Manual, Section Number 9.06, Effective 05/16/1995.

It is the policy of the County of Los Angeles to establish and negotiate authorization limits for Third Party Administrator and County staff.

When the payment amount/negotiation level exceeds the individual's authorization limits, the payment/written justification and the claims file will be forwarded to the appropriate level for review and approval. No payment above one's authority will be processed without higher level approval. No negotiation of settlements above one's authority should take place without higher level approval.

Limits shown in Table XI-1 will be reviewed and revised periodically by the County.

FOOTNOTES:

- (1) We obtained the number of positions and salaries from the Contractor's Budget Sheet (i.e., Exhibit 13).
- (2) We determined the County staff classifications based on the Contractor's Budget Sheet (i.e., Exhibit 13). We compared the titles/responsibilities of each staff and their monthly salary to the Department of Human Resources' (DHR) Class Specifications and Class and Salary Listing. Based on this comparison, we selected the County position that was comparable to the Contractor's position.
- (3) We obtained the productivity factor from the A-C Accounting Division website (<http://auditorweb.co.la.ca.us/Auditor-Controller/Accounting/Cost%20Accounting>). We used the FY 2012-13 rate since it was the most current rate as of June 2013. The rate was calculated as follows: 2,080 Total Labor Hours / 1,765 Annual Productive Work Hours = 1.178. In addition, we rounded the staffing levels to include one additional person since the County generally does not hire part-time employees. The number of Clerks is based on a ratio of three Program Specialist IIs/IIs to one Clerk.
- (4) The salary rates are based on the DHR's Class and Salary Listings as of May 1, 2013 (<http://cao.lacounty.gov/pdf/alpha.pdf>).
- (5) The employees do not qualify for any bonuses that should be included in this analysis.
- (6) The Top Step Variance Factors for FY 2012-13 were obtained from A-C Accounting. The Top Step Variance Factor for CEO is 95.0955%.
- (7) We used the FY 2012-13 Budgeted Employee Benefits (EB) Rate obtained from Rick Vandenberg of A-C Accounting. In addition, we determined the avoidable EB rate by subtracting Retirement Debt Services, Unemployment Insurance, Retiree Insurance, and Disability from the total EB percentage. The avoidable EB rate for CEO is 42.965%.
- (8) For 75 employees, the County would incur costs totaling \$37,003.50 for Services and Supplies. See "S&S Cost" for detailed information.
- (9) The County would not incur incremental indirect costs since they are absorbed by existing County resources.
- (10) Contractor's pricing is based on an annual flat fee which increases by 1% in year two and 2% in years three through five. The Contractor indicated that the annual flat fee is increased each year to account for the estimated staff merit increases needed to retain and reward quality claims professionals for the program. The contract remains cost effective through year five.
- (11) The number of new indemnity claims submitted during 1/1/2012 through 12/31/2012 for Unit 4 was 1,986. For any calendar year where the number of new indemnity claims, exceeds 1,986 by 175 claims, the County must pay the Contractor an additional \$75,000 per each additional 175 claims. In addition, the number of open indemnity claims as of 12/31/2012 for Unit 4 was 5,558. For any quarter where the caseload is equal to or less than 5,383, the monthly base fee will be reduced by \$17,054 per each 175 claims.
- (12) The annual flat fee for each contract may also be increased or reduced pursuant to performance incentives which are determined based on the annual claims administration performance audit. At the County's sole discretion, mutually beneficial performance and financial incentives are applied where the base could be increased or reduced up to 4.5%. In addition, if subrogation recoveries during a contract year exceed recoveries from the prior year, the base could be increased by 0.5%, subject to a maximum of 50% of the increased recovery dollars. Also, if examiner staffing levels do not meet requirements in the Statement of Work, there will be a \$7,000 reduction for each aggregate 30 calendar days a position is vacant.
